C&L IS YOUR GLOBAL AIRCRAFT PARTS PROVIDER AND SO MUCH MORE

C&L Aviation Group is a global leader in corporate and regional aviation support with over 30 years of expertise in aircraft and engine sales and leasing, parts supply, heavy maintenance, interior refurbishment, and teardown services.

Headquartered in Bangor, Maine, with warehouses in the U.S., Australia, Africa, and Europe, we deliver cost-effective solutions for the Citation Sovereign, XLS, and Latitude.

By stocking the right parts in the right places, operators have fast access to rotables, avionics, airframe components, interiors, APUs, engines, and accessories. Backed by deep industry knowledge and OEM partnerships, C&L provides one of the most dependable aviation support networks worldwide, keeping your Citations flying.
